

Collegewise Benefits for NVIDIA Employees

Overview for 2025

Through NVIDIA's partnership with Collegewise, U.S. employees will have access to the following benefits:

One-on-one counseling

NVIDIA provides one-on-one counseling hours with a Collegewise admissions expert to its employees as part of their benefits package. The number of eligible hours depends on the student's grad year as follows:

- Class of 2025: 2 hours
- Class of 2026: 8 hours
- Class of 2027: 4 hours
- Class of 2028 & younger: 2 hours
- Transfer Students: 2 hours

*Hours subject to change

During counseling sessions, NVIDIA families can engage in all aspects of the admissions process including but not limited to:

- Strategic and customized admissions strategy
- Course planning
- Extracurricular planning
- Interview prep
- College research and list development
- Much more!

Additionally, NVIDIA families have access to expert essay editing and brainstorming:

- Brainstorming (completed by the assigned counselor)
 - 90 minutes per session

- An individual session can be used to brainstorm the Common App Personal Statement, the 4 UC PIQs, or the supplemental essays for a single school
- Editing (completed by the editing team, so long as the draft adheres to the Essay Protocol, including deadline cut-offs):
 - Each individual essay will count as 45 minutes of time, regardless of word count
 - 4 UC PIQs count as separate essays, or 45 minutes of time each

NVIDIA employees will also have access to:

- The same counselor throughout the entirety of the counseling management
- Collegewise's online admissions management portal, Flamingo, through which families can:
 - View their student's progress and find clear direction on next steps
 - Access proprietary data during the college research process to facilitate list building
 - Communicate with their counselor
 - View current counseling hours tracker
 - Review session notes and tasks
 - Schedule new sessions

Live events

NVIDIA employees will have access to exclusive, live events throughout the year:

- Quarterly live webinars hosted by Collegewise admissions experts
- Quarterly Office Hours, in which families can sign up for private 20-minute sessions with a Collegewise counselor to ask questions and strategize
- One AMA (Ask Me Anything) Livestream presented by a Collegewise admissions expert where employees can have their questions answered on the spot
- Annual seminar presented by a member of Collegewise's leadership team

Access to the Collegewise knowledge bank

Visit the Collegewise resource library at any time to access:

- Newsletters with analysis and deep dives into admissions topics

- On-demand, recorded webinars
- Guides on a variety of admissions topics, such as the Common App and STEM programs
- Frequent blog posts on timely admissions topics

Please see below for additional Collegewise programming outside of the complimentary hours provided:

- At the beginning of your engagement with Collegewise, NVIDIA employees can choose to credit their hours and receive \$1,998 off a full comprehensive counseling package
- If an NVIDIA employee exhausts their complimentary counseling hours, and would like to continue their work with their counselor, they can:
 - Receive a 10% discount on a full comprehensive package
- Exclusive discounts to Collegewise Academic Services (test preparation and curriculum tutoring):
 - 10% discount on purchase of any class or package of hours 10 hours or greater

Please contact nvidia@collegewise.com for more information on discounts or any programming questions.
